Wholesale Trade Catalogue

—OF—

Orchids, Palms AND Greenhouse Plants.

—FOR SALE BY—

SIEBRECHT & WADLEY

409 FIFTH AVENUE,

NEW YORK.

ROSE HILL NURSERIES,
New Rochelle, New York.

1887.

Notice.

Our Mode of Doing Business.

WE do not offer any Plants in this Catalogue of which we have not a good and well-grown stock from which to select. Plants offered here are all cultivated at our own Nurseries. New and imported stock is also first cultivated and tried by us before being offered for sale.

2. Persons, therefore, who favor us with their orders, whether selected by themselves, or left to us to select for them, and whether ordered by mail or otherwise, may rely upon what they order, as we make it a strict rule that none but good healthy plants leave the nurseries.

PACKING AND SHIPPING.

3. All plants are carefully packed and shipped by experienced hands, so they may be sent to distant parts with perfect safety. No charges are made for packing or delivery to railroad or express companies.

4. Persons ordering with whom we have not had previous dealings, are requested to send the money with their orders, or to furnish satisfactory reference, otherwise the bill will be collected by the Express Company delivering the goods.

5. All remittances should be made by Registered Letter, Postal Order, or by Draft on New York City, Boston, or Philadelphia.

All letters should be addressed to the office, at 409 Fifth Avenue, New York.

ROSE HILL NURSERIES AND HOW TO REACH THEM.

Rose Hill Nurseries are located at New Rochelle, Westchester County, New York, 15 miles from the Grand Central Depot, on the New York and New Haven Railroad, (there are about 25 trains a day,) 1½ miles from depot at New Rochelle, where there are always conveyances which will take visitors to the Nurseries at reasonable rates.
